Any such Supplementary Declaration shall be executed on behalf of the Association by the President of the Association whose signature shall be attested by the Secretary of the Association. The annexation shall be effective only upon the filing for record of such Supplementary Declaration, unless a later effective date is provided therein.

Article 3

Association Membership and Voting Rights

Every Person who is the record owner of a fee or undivided fee interest in any Lot that is subject to this Declaration shall have a membership in the Association. The foregoing is not intended to include Persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate

the Owner's membership. No Owner, whether one or more Persons, shall have more than one membership per Lot. Membership shall be appurtenant to and may not be separated from ownership of a Lot. The rights and privileges of membership, including the right to hold office, may be exercised by a member or the spouse of a member, but in no event shall more than one office be held for each Lot owned. This Section is not intended to prohibit the same individual from being both an officer and a director of the Association. Members shall be entitled to one vote for each Lot owned. When more than one Person holds an ownership interest in a Lot, the vote for such Lot shall be exercised as those Owners themselves determine and advise the Secretary prior to any meeting or referendum. The vote attributable to a Lot shall be suspended in the event more than one Person seeks to exercise it.

Article 4
Assessments

4.1 Purpose of Assessments. The assessments provided for herein shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefit, and enjoyment of the Owners of Lots, including, without limitation, the maintenance of real and personal property, all as may be more specifically authorized from time to time by the Board of Directors.

4.2 Creation of the Lien and Personal Obligation for Assessments. Each Owner of a Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association: (a) general assessments; (b) special assessments; and (c) specific assessments. All such assessments, together with late charges and interest as provided in Section 44-3-232(b) of the POA Act, and costs of collection, including, without limitation, reasonable attorney's fees actually incurred, shall, from the time the sums become due and payable, be a charge on the land and shall be a continuing lien in favor of the Association on the Lot against which each assessment is made. The recording of this Declaration shall constitute record notice of the existence of the lien and no further recordation of any claim of lien shall be required. Each such assessment, together with such late charges, interest and costs, shall also be the personal obligation of the Person who was the Owner of the Lot at the time the assessment fell due. Each Owner shall be personally liable for the portion of each assessment coming due while the Owner of a Lot, and each grantee of an Owner shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance; provided, however, the liability of a grantee for the unpaid assessments of the grantor shall not apply to any first Mortgagee taking title through foreclosure proceedings. No Owner may waive or otherwise exempt themselves from liability for the assessments provided for herein, including, by way of illustration, but not limitation, abandonment of the Lot. No diminution or abatement of any assessment shall be claimed or allowed by reason of any failure of the Association to take some action or perform some function required to be taken or performed by the Association, the obligation to pay assessments being a separate and independent covenant on the part of each Owner. All payments shall be applied first to costs, then to late charges, then to interest and then to delinquent assessments.

4.3 General Assessments. It shall be the duty of the Board to prepare a budget covering the estimated costs of operating the Association during the coming year. The Board shall cause the budget and the assessments to be levied against each Lot for the

year to be delivered to each member at least thirty (30) days prior to the due date of any general assessment. The budget and the assessment shall become effective unless disapproved at a meeting by a majority of the total association vote and the Declarant. Notwithstanding the foregoing, however, in the event the membership disapproves the proposed budget or the Board fails for any reason to determine the budget for any period, then and until such time as a budget shall have been determined, as provided herein, the budget in effect shall continue. General assessments shall be levied equally on all similarly situated Lots and shall be paid in such manner and on such dates as may be fixed by the Board of Directors, which may include, without limitation, acceleration, upon ten (10) days' written notice for delinquents. Unless otherwise provided by the Board, the assessment shall be paid in one annual installment. General assessments include any sums the Board determines necessary for the continued ownership, operation and maintenance of the Common Property, operating expenses of the Association, payment for any items of betterment and the establishment of reserve funds as the Board shall deem proper. General assessments may include, without limitation, sums for property taxes, insurance premiums, legal and accounting fees, management fees, charges for utilities, cleaning and janitor services, landscape maintenance, expenses and liabilities incurred as provided herein and in the Articles of incorporation of the Association and Bylaws for indemnification of officers and directors and in connection with the enforcement of rights and duties of the Association against Owners and others.

4.4 Special Assessments. The Association may levy a special assessment if approved by two-thirds (2/3) of the total association vote. Special assessments shall be paid as determined by the Board. The Board may permit a special assessment to be paid in installments extending beyond the fiscal year in which the special assessment is imposed.

4.5 Specific Assessments. The Board shall have the power to levy specific assessments as, in its discretion, it shall deem appropriate. Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Section. Fines levied pursuant to this Declaration and the costs of maintenance performed by the Association for which the Owner is responsible shall be specific assessments. The Board of Directors may also specifically assess Owners for Association expenses as follows: (a) expenses of the Association which benefit less than all of the Lots may be specifically assessed equitably among all of the Lots which are benefitted according to the benefit received; and (b) Expenses of the Association which benefit all Lots, but which do not provide an equal benefit to all Lots, may be assessed equitably among all Lots according to the benefit received.

4.6 Subordination of Liens to Mortgages. The lien of all assessments authorized herein is hereby made subordinate to the lien of any first Mortgage placed on a Lot if, but only if, all assessments and charges with respect to such Lot authorized herein having a due date on or prior to the date of the Mortgage as filed of record have been paid. The lien hereby subordinated is only such lien as relates to assessments and charges authorized hereunder having a due date subsequent to the date such Mortgage is filed of record and prior the satisfaction, cancellation or foreclosure of such Mortgage

or the sale or transfer of the Lot pursuant to any proceeding in lieu of foreclosure or the sale of transfer of the Lot pursuant to a sale under power contained in such Mortgage. Such subordination is merely a subordination and shall not relieve the Owner of the Lot of the personal obligation to pay all assessments coming due during such period of ownership; shall not relieve such Lot from the lien provided for herein (except to the extent a subordinated lien is extinguished as a result of such subordination as against a Mortgagee or such Mortgagee's assignee or transferee by foreclosure or by sale under power); and no sale or transfer of such Lot to the Mortgagee or to any other Person pursuant to a decree of foreclosure, or pursuant to any other proceeding in lieu of foreclosure or pursuant to a sale under power, shall relieve any existing or previous Owner of such Lot of any personal obligation or relieve such Lot or the then Owner of such Lot from liability for any assessment authorized hereunder become due after such sale and transfer.

4.7 Remedies of the Association. Any assessments or installments thereof which are not paid when due shall be delinquent. The Association shall have all remedies available for the security and collection of assessments to the fullest extent provided in the POA Act as it may exist on the date hereof and as it may hereafter be amended. In addition to the such rights, the personal obligation of the then Owner to pay such assessments shall remain such Owner's personal obligation and shall also pass to such Owner's successors-in-title. Such Owner shall nevertheless remain as fully obligated as before to pay to the Association any and all amounts which such Owner was obligated to pay immediately preceding the transfer; and such Owner and such successors-in-title shall be jointly and severally liable with respect thereto, notwithstanding any agreement between such Owner and such successors-in-title creating any indemnification of the Owner or any relationship of principal and surety as between themselves. Any assessment or installment thereof delinquent for a period of more than ten (10) days shall incur a late charge in the amount of the greater of \$10.00 or ten (10%) per cent of the amount due as provided in the POA Act. The Association may cause a notice of delinquency to be given to any Owner who has not paid within ten (10) days following the due date. In the event that the assessment remains unpaid after sixty (60) days, the Association may institute suit to collect such amounts and/or to foreclose its lien. The Association may file a claim of lien with the Office of the Clerk of Superior Court of the county where the Lot is located, but no such claim of lien shall be required to establish or perfect the lien for unpaid assessments. Each Owner, by acceptance of a deed vests in the Association the right and power to bring all actions against such Owner personally, for the collection of such charges as a debt or to foreclose the lien. The lien provided for in this Declaration shall be in favor of the Association and shall be for the benefit of all Owners. The Association shall have the power to bid on the Lot at any foreclosure sale and to acquire, hold, lease, mortgage and convey the same. The Association may also suspend the membership rights of the delinquent Owner, including the right to vote, the right of enjoyment in and to the Common Property and recreational facilities and the right to receive and enjoy such servicing and other benefits as may then be provided by the Association. Any such suspension shall not affect such members obligation to pay assessments coming due during the period of such suspension and shall not effect the permanent lien on such Lot in favor of the Association.

4.8 Date of Commencement of Assessments. Assessments shall commence when the Board of Directors first determines a budget and levies assessments. The

assessments provided for herein shall commence as to a Lot on the date that the Lot is first conveyed by Declarant to an Owner other than Declarant. The annual general assessment for the first year shall be prorated based on the number of days remaining in the calendar year from the date of such conveyance.

4.9 Budget Deficits During Declarant Control. ***Declarant terminated his rights 9/12/02. This section no longer applicable and has been deleted.***

Article 5

Maintenance: Common Property

5.1 Association's Maintenance Responsibility. The Association shall maintain and keep in good repair the Common Property. This maintenance shall include, without limitation, maintenance, repair and replacement of all landscaping and improvements situated on the Common Property. The Association shall also maintain (whether or not constituting Common Property): (a) all entry features for the subdivision; (b) landscaping originally installed by the Declarant, whether or not such landscaping is on a Lot, privately owned property or public right of way; and (c) all storm water detention/retention ponds and storm water drainage facilities serving the subdivision, if and to the extent such facilities are not maintained by a public body. In addition, the Association shall have the right, but not the obligation, to maintain other property not owned by the Association, whether within or without the subdivision and to enter into easements and covenant to share costs agreements regarding such property where the Board has determined that such action would benefit the Owners. In the event that the Association determines that the need for maintenance, repair, or replacement, which is the responsibility of the Association hereunder, is caused through the willful or negligent act of an Owner, or occupant, or the family, guests, lessees or invitees of an Owner or occupant, then the Association may perform such maintenance, repair or replacement and all costs thereof, not paid for by insurance, shall be assessed against the Owner as a specific assessment.

5.2 Owner's Maintenance Responsibility. Except for maintenance performed on a Lot by the Association pursuant to Section 5.1, if any, all maintenance of the Lot and all structures, landscaping, and other improvements thereon shall be the sole responsibility of the Owner thereof. Such maintenance obligation shall include, without limitation, the following: prompt removal of all litter, trash, refuse, and waste; lawn mowing on a regular basis; tree and shrub pruning; watering landscaped areas; keeping improvements, and exterior lighting in good repair and working order; keeping lawn and garden areas alive, free of weeds, and attractive; keeping driveways in good repair; complying with all governmental health and police requirements; maintenance of grading and storm water drainage as originally established on the Lot; and repair of exterior damages to improvements. In the event that the Board of Directors determines that any Owner has failed or refused to discharge properly any of such Owner's obligations with regard to the maintenance, repair or replacement of items for which such Owner is responsible hereunder, the Association shall, except in an emergency situation, give the Owner written notice of the Association's intent to provide such necessary maintenance, repair or replacement at the Owner's sole cost and expense. The notice shall set forth with reasonable particularity the maintenance, repair or replacement deemed necessary. The Owner shall have ten days after receipt of such notice within which to complete such maintenance, repair or replacement, or, in the

event that such maintenance, repair or replacement is not capable of completion within a ten-day period, to commence such work which shall be completed within a reasonable time. If any Owner does not comply with the provisions hereof, the Association may provide any such maintenance, repair or replacement and all costs thereof shall be assessed against the Owner and the Lot as a specific assessment.

5.2.1 Property Maintenance Guidelines. Natural/unimproved areas adjacent to the curb shall be regularly mowed and free of debris a minimum of 6 feet from the curb, except where a light post is located. Where a light post is located the area that must be regularly mowed shall extend at least 3 feet beyond post. Lawns shall be edged against curbs, sidewalks, and driveways such that no plant growth extends onto these surfaces. As a general guideline, grass above 4 inches is considered to be excessive. Homeowners are responsible for ensuring hired contractors clean and remove any debris that they generate (no littering). Homeowners are responsible for keeping the street gutters along their property lines free of lawn debris and general trash. **(This rule addition adopted at 10/27/04 annual meeting)**.

5.3 Conveyance of Common Property by Declarant to Association: No Implied Rights. **Declarant terminated his rights 9/12/02. This section no longer applicable and has been deleted.**

5.4 Partition. The Common Property shall remain undivided and no Owner shall bring any action for partition or division of the whole or any part thereof without the written consent of all Owners of all portions of the property located within the Community and without the written consent of all holders of all Mortgages encumbering any portion of the property, including, but not limited to, the Lots located within the Community.

5.5 Condemnation. In the event of a taking by eminent domain of any portion of the Common Property on which improvements have been constructed, the Association shall restore or replace such improvements so taken on the remaining Common Property, unless within 60 days after such taking, an alternative plan is approved by at least 75% of the Total Association Vote and the consent of Declarant. The provisions of this Declaration applicable to replacement or restoration of damaged improvements on the Common Property shall also apply to and govern the actions to be taken in the event that the improvements are not restored or replaced after a condemnation.

Article 6

Use Restrictions and Rules

6.1 Rules and Regulations.

6.1.1 Changes to Rules and Regulations. The Board of Directors may, from time to time, propose changes to the rules and regulations applicable to the subdivision. Such rules and regulations shall be distributed to all Owners 15 days prior to the next scheduled meeting date that they are to be voted upon. The changes proposed by the Board of Directors shall become effective upon majority vote of the Association members present at the meeting, when a quorum is present, and shall thereafter be binding upon all Owners and occupants. **(This change to the Covenants adopted by mail ballot on 6/3/06)**.

6.1.2 Interpretations of Rules and Regulations. The Board of Directors, when it is deemed necessary, shall provide interpretations of language contained in the existing

covenants and bylaws. These interpretations shall become effective immediately and shall remain in effect until and unless the interpretation is addressed at the next scheduled Association meeting. Upon majority vote of eligible homeowners in attendance at the Association meeting, when a quorum is present, the interpretations can be sustained, modified, or deleted. **(This addition made to the Covenants adopted by mail ballot on 6/3/06).**

6.2 Residential Use. Each Lot shall be used for residential purposes exclusively. Leasing of a Lot for residential occupancy shall not be considered a business or business activity. No trade or business of any kind may be conducted in or from a Lot, except that the Owner or occupant in residence at the Lot may conduct business activities within the house so long as the business activity: (a) does not otherwise violate the provisions of the Declaration or Bylaws; (b) is not apparent or detectable by sight, sound or smell from the exterior of the Lot; (c) does not unduly increase traffic flow or parking congestion; (d) conforms to all zoning requirements for the subdivision; (e) does not increase the insurance premium paid by the Association or otherwise negatively affect the ability of the Association to obtain insurance coverage; (f) is consistent with the residential character of the subdivision; (g) does not constitute a nuisance or a hazardous or offensive use; and (h) does not threaten the security or safety of other residents of the subdivision, all as may be determined in each case in the sole discretion of the Board of Directors. The Board may issue rules regarding permitted business activities.

6.3 Architectural Standards. No exterior construction, alteration, addition, or erection of any nature whatsoever shall be commenced or placed upon any part of the community, until approved in accordance with this Section, or as is otherwise expressly permitted herein. No exterior construction, addition, erection, or alteration shall be made unless and until plans and specifications showing at least the nature, kind, shape, height, materials, and location shall have been submitted in writing to and approved by the Board of Directors. Written design guidelines and procedures may be promulgated for the exercise of this review, which guidelines may provide for a review fee. If submitted plans and specifications are not approved or disapproved within sixty (60) days after the plans and specifications have been submitted, approval will not be required, and this Section will be deemed to have been complied with fully.

6.3.1 Like Kind Maintenance and Repair. Like Kind maintenance and repair to existing structures are exempt from the requirements outlined in Section 6.3 that requires the submittal of a construction request to the HOA Board. Like Kind maintenance and repair is defined as any repair or maintenance that replaces existing materials with materials that are of the exact same kind, appearance, color, texture, size, and location. In addition, these repairs or maintenance must be completed within 14 days from the date the repairs or maintenance begins. Any maintenance or repair that does not meet the requirements set forth in this section shall require the submission of a construction request as outlined in Section 6.3 and the "Submission Guidelines." The Board of the HOA reserves the right to make the final determination whether the maintenance or repairs qualify as "Like Kind."

Submission Guidelines- All submissions under this section shall be via certified first class mail with a return receipt to the Brittini Place HOA address. Submitting homeowner is required to retain return receipt as proof of submission. All request shall include a description of the project or change including a drawing or sketch showing the

location and scope of the project or change. The request shall also specify the type and color of materials being used in the project or change. **(This addition made by Board on 10/3/06 and voted to adopt at 10/17/06 HOA Meeting)**

6.4 Signs. No sign of any kind shall be erected within the subdivision without prior written approval under Section 6.3 above. Notwithstanding the foregoing, the Board shall have the right to erect reasonable and appropriate signs. For-sale signs and security signs and any signs required by legal proceedings may be erected upon any Lot. The provisions of this Section shall not apply to any Mortgagee in possession due to foreclosure of a first Mortgage or as grantee pursuant to any deed in lieu of such foreclosure.

6.5 Vehicles: Parking. All parking shall be subject to such rules and regulations as the HOA may adopt. The term "vehicles," as used herein, shall include, without limitation, motor homes, boats, trailers, motorcycles, minibikes, scooters, go-carts, golf carts, trucks, campers, buses, vans and automobiles. The term "parking areas" shall refer to the number of garage parking spaces and the spaces located in the driveway of each Lot.

Streets in the subdivision are not considered "parking areas." No vehicle may be parked on any roadways within the Subdivision except for visitors who may temporarily park on the streets of the subdivision for a period not to exceed 8 hours. **(This rule clarification was adopted at 9/19/13 Board meeting)**

6.5.1 Parking of Motor Homes, Campers, Recreational Vehicles, Boats, and Enclosed Trailers. Parking of motor homes, campers, recreational vehicles, boats and covered trailers is permitted only behind the rear dwelling line. **(This rule addition adopted at 5/11/05 Board meeting)**.

6.5.2 Inoperative Vehicle Removal. No vehicle may be left upon any portion of the subdivision, except in a garage or other area designated by the Board, for a period longer than five days if it is not licensed or if it is in a condition such that it is incapable of being operated upon the public highways. After such five-day period, such vehicle may be removed from the subdivision by the Board of Directors. **(This rule is not a change or clarification but was simply moved from the original Section 6.5 to separate it from the definition of Parking. This was adopted at 9/19/13 Board meeting)**.

6.6 Animals and Pets. No animals, livestock or poultry of any kind may be raised, bred, kept or permitted on any Lot, with the exception of dogs, cats or other usual and common household pets in reasonable number as determined by the Board. No pets shall be kept, bred or maintained for any commercial purpose.

6.7 Nuisance. It shall be the responsibility of each Owner and occupant to prevent the development of any unclean, unhealthy, unsightly or unkempt condition on a Lot. No property within the subdivision shall be used, in whole or in part, for the storage of any property or thing that will cause such Lot to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort or serenity of the occupants of surrounding property. No noxious or offensive activity shall be carried on within the subdivision, nor shall anything be done tending to cause embarrassment, discomfort, annoyance or nuisance to any Person using any property within the

subdivision. No plants, animals, device or thing of any sort shall be maintained in the subdivision whose activities or existence is in any way noxious, dangerous, unsightly, unpleasant or of a nature as may diminish or destroy the enjoyment of the subdivision by other Owners and occupants. Without limiting the generality of the foregoing, no speaker, horn, whistle, siren, bell, amplifier or other sound device, except such devices as may be used exclusively for security purposes, shall be located, installed or maintained upon the exterior of any Lot.
